

This is a list of YouTube videos that demonstrates the stops of the organ, how they are used, and the playing of Hymns.

“Schoenstein Tonal”. Using the 15 stop, 17 rank Schoenstein organ at Christ and St. Stephen’s Church in New York City, Jack Bethards, president of Schoenstein, explains in detail the tonal characteristics of each stop. <https://www.youtube.com/watch?v=qhLbcKeVQK8>

This organ has only 1042 pipes.

The following YouTube entries describe how to play for the Lutheran Service. While some of this not directly applicable to LDS services, it is very instructional on how to introduce, play, and present hymns.
