Member’s Recital Potluck
Coming to a Screen Near You!

You are invited to send in one or two of your favorite organ pieces for a virtual musical potluck! We are crossing our fingers and toes that (the virus that will not be named) numbers continue to decline and vaccinations continue to rise so we can meet in the very near future. In the meantime, the San Jose AGO Chapter is planning a Virtual Members Recital Potluck in June. We need your piece or pieces to be sent to David Snook-Luther (dcsI@sonic.net ) no later than May 20, 2021. Plenty of time to dust off the bench and polish the notes. For more information please contact David directly.

All the best Elisabeth Pintar

WANTED
APPLICANTS FOR THE FRASIER ORGAN SCHOLARSHIP 2021

Have you encouraged an eligible organ student to apply for the 2021 Frasier Organ Scholarship yet? As a reminder, the scholarship is open to current members of our San Jose chapter, and to organ students studying with or sponsored by current members (previous winners are not eligible). The Frasier Organ Scholarship will be awarded on the basis of demonstrated talent and potential, and must be used for specified continuing education in organ studies. The scholarship amount is $1000.

You can find the 2021 scholarship qualifications/requirements, application and hymn list on our website. [www.agosanjose.org — Under “What’s New,” click on "Frasier Organ Scholarship”]. If you have questions about the scholarship, please contact Valerie Sterk (valeriesterk@gmail.com). The deadline for sending the application (application form and two recommendations) is May 14, 2021. We’re hoping to have the Frasier auditions (in-person) in summer or autumn, after the Covid-19 pandemic conditions improve and in-person auditions can be held safely. The scholarship winner will be notified soon after the auditions. Please encourage any potential scholarship applicants now!

Three Free Organs
Michelle Kinkaid  MichelleKinkaid5678@gmail.com (415-802-3325) has three organs that she is giving away.

The first one is a Thomas Theater organ. It was working when it was moved to a storage area.

The second one is a Hammond Spinet (looks like a M100 series).

The third one is a Hammond A122 (serial 28422) organ with 25 pedal and sounds like a B3. This organ is NOT working correctly. When you press a key, all you get is a hum. If one is interested in this organ, contact Camp’s Organ Service (925-294-8633) www.campsorganservice.com for repair – an initial service call is $215 minimum for a diagnostic of the problem.

Free Baldwin Piano
A Baldwin spinet piano, in excellent condition, is available free from a resident in Willow Glen. If interested, please call Donna Rogers at 408 890-1568.

A Second Scam is one that involved an organist that would have to pay other involved in performing a service at wedding.

One of our chapter organist received request to play music at a Wedding. The organist asked the caller how he had found her telephone number and email address because the organist had not advertised this information. The caller never really answered this request. Nevertheless; the organist agreed and a fee was agreed to. The caller later called back and said that he had a friend that wanted to pay for the music and pictures. This friend had written check to the organist for the amount of the music and pictures and it had been mailed to the organist. The organist was expected to cash the check, keep her fee and give the rest of the money to the photographer. The organist said that was not OK and she wanted a check for only her service. The caller said that the person that wrote the check was traveling was and could not write new check before the wedding. At this point the organist declined the service.

What is the Scam? I think it is: the photographer would demand more money saying that he was not paid enough for his service and he would demand more money from the organist.

The organist never did find out how the caller obtained her contact information.

Harpsichord Seeking New Home

In good condition, requires normal periodic maintenance: tuning, jack and quill adjustment and renewal, etc. Comes with additional strings, jacks, and tuning tool. No bench.

Instrument is located in Sunnyvale.

BONUS! I have a delivery van and can deliver to addresses in the Bay Area.

For more information and to make an offer, please contact Paul Ingraham pei@sonic.net or leave voice message at 408 774-9820

Scam Activity
We received this AD for a free Yamaha Baby Grand Piano that was in storage in Tennessee where the receiver would pay for the moving cost. The movers offered to deliver it anywhere.

An organ dealer is Sacramento, who gets our newsletter, called me about it. He said.

“That black baby piano is a scam, they got me with it and people across the country. You call them and then you have to pay the movers to move it to you – using a pay program that has no guarantee or does not use credits cards - like Zelle.”
