

Message from the Dean

Dear Colleagues,

This year Lent seems to have come upon us too soon. And yet we know Easter will follow right after. Our chapter follows a certain pattern as well. We have members who feel now is the time to be more involved with the AGO and that is a great thing. We also have others who would like to address other interests in their lives. All this leads to a changing of the guards, so to speak.

I would like to thank the nominating committee chaired by Joyce Rhodes, with Carol Griffin and Arlene Zimmerman as members. They have worked diligently at presenting us with our 2005-2006 slate of officers. Our board has received their report as follows:

Looking ahead to April, you have another chance to play and share music with your colleagues. Our program is "Back to Bach" and members will play for each other and discuss registration and performance ideas using the Eight Little Preludes and Fugues by J. S. Bach. This will take place on April 10 at 3 pm at Stone Presbyterian Church, 1108 Clark Way in Willow Glen. Please call Dick Coulter at 408-395-0909 to get listed to play. Please call Joyce Rhodes at 408-723-7884 to arrange for rehearsal time on the organ.

Keep looking ahead! Organist Mark Thallander from southern California will be our guest organist/speaker for our June 12 installation dinner and program. We plan a potluck affair with the chapter providing the meat and beverages. Put this in your calendar.

I hope you will take part in the exciting activities happening in our chapter.

Mary Ann Gee, Dean
