

AGO May 2005 Message

Dear Colleagues,

Since we do not have program in May, I hope this will spur you to come to our annual installation dinner and program on June 12, 2005. This will take place at St. Mary's Catholic Church, 219 Bean Avenue in downtown Los Gatos. We are doing things a little differently this year so please take note.

On June 12 our event will start at 5:30 pm with a bit of social time before the 6:00 pm dinner. This year we are going to have a potluck affair; attendees are asked to bring a salad or side dish or dessert to share. The chapter will provide the ham and beverages.

I strongly encourage you to come at 5:30 pm so you will easily find parking spots. The church has a mass from 6:00 pm till 7:00 pm.

***** Please RSVP to Mary Ann Gee by June 5 (e-mail preferred) as to the number of people in your party and what food you are bringing. Bring along your spouses, friends and other guests. You also have the option of solely coming to the program but I hope you are able to participate in both.

The installation will take place right after dinner before we move to the sanctuary around 7:15 pm for the program with our guest organist and speaker, Mark Thallander. If you don't already know who he is, please go to : www.markthallander.com St Mary's choir will also participate.

If you are curious about "Sibelius" or want to know more about it, we are still trying to get people together to have a workshop with Paul Rosas. Paul is the dean of the Peninsula Chapter and a dual member with our chapter. He is willing to give us an introduction to Sibelius to be followed by a Q/A brainstorming session for current users. Possible dates are May 21, 28 or June 4 (Saturday mornings at 10:00 am) Those interested in this topic please contact me. (E-mail preferred.)

Remember it is membership renewal time. We want you back again. Numerous varied interesting programs are being planned for the next season. I hope there's some that will attract you.
